TMC Group Member's Registration / Approval / Accreditation:

WINTER / SUMMER VACATION COURSES FOR ENGINEERING STUDENTS

- TMCIL is a skill based Training provider in Welding-Heat Treatment-Nondestructive Testing for Technical Students & Personnel.
- TMCIL offer courses, specially designed for Mechanical / Metallurgy / Production / Automobile / Manufacturing Science / Material Science students of final year Engineering Degree & Diploma.
- The course will fulfill AICTE, ASNT, TWI, IIW, IAEA for Industrial Training norms and also strengthen final year project criteria related to Welding-Heat Treatment-Nondestructive Testing.

Sl. No.	Course	Fee (₹)	Available Seat (per session)
1.	Combined Welding + Heat Treatment + NDT	10,000/-	10 Nos
2.	Welding Inspection	10,000/-	10 Nos
3.	Heat Treatment & Quality Control	8,000/-	10 Nos
4.	Nondestructive Testing		
a)	General for Surface Discontinuities (Visual, Dye-Penetration, Magnetic Particle)	8,000/-	15 Nos
b)	Ultrasonic Testing	8,000/-	15 Nos
c)	Radiography Testing	8,000/-	15 Nos
d)	In-Situ for Micro Defect & Mechanical Property (In-Situ Metallography, Oxide Scale Testing & In-Situ Hardness)	12,000/-	15 Nos

Duration: (200 Hrs.)

How to Apply

Requirement:

Bio Data + Application Fee (₹ 1,000/-)

Session Time: May-June & December - January

Contact Details

Mobile No.	Mr. Biplab Bhar (+91-94323-64628) Mr. Raju Ghosh (+91-90385-22748)
Email ID	tmcil@tmcgroupindia.com

Payment Methods

Online:	State Bank of India (Shyambazar Branch) A/c No.: 34839278234 IFSC : SBIN0000180
By-hand:	25, R. N. Mukherjee Road, 5 th Floor, "Mission Court", Kolkata-700001

- N.B.:**
1. Discount of 10% will be given for the Group of 10 candidates from the same college.
 2. Discount upto 50% will be given for BPL candidates.
 3. Registration will be done after scrutiny / interview. Application fee will be adjusted against the above course fees for the selected candidates and refunded for the rest.
 4. Fresh or Practicing Engineers can also apply for the courses. For Practicing Engineers, 50% higher course fees will be charged for ASNT Level-II certification.
 5. Hostel facilities for 10 candidates for each session can be provided on chargeable basis.

Legends :

- TMC : Test Metal Corporation
- AICTE : All India Council for Technical Education
- ASNT : American Society for Nondestructive Testing
- TWI : The Welding Institute (U.K.)
- IAEA : International Atomic Energy Agency
- BPL : Below Poverty Line
- IFSC : Indian Financial System Code
- IIW : Indian Institute of Welding
